Dear Friends,

It's hard to believe the Jacksonville Area Museum will celebrate its fifth year in the Old Post Office building in late September. With your support, so much has been accomplished in those five years and there's so much more coming.

Each year the number of visitors to the museum has grown and 2026 is no exception. In fact, we've already welcomed 50% more people this year than last. The traveling Underground Railroad exhibit that was here for four months attracted people from around the Midwest and received deservedly rave reviews.

An exhibit of local art and the unveiling of a community art project are upcoming in September. Enthusiasm surrounding this endeavor is off the charts. One hundred 8 by 8-inch canvasses were picked up in just three days. Mark your calendars for September 18 for the members' first look at the exhibit and the unveiling of the finished, compiled image of the 100 individual canvasses.

To finish 2026, a fan favorite, LEGO, will return for the fifth year. Like the number of museum visitors, our LEGO display just keeps growing and expanding.

From all of us who serve on the board of the Jacksonville Area Museum, thank you for your continued financial support. Without it we could not do what we do. Everyone who graces the front door of the museum is the happy beneficiary of your membership, and our local businesses and entities benefit from the tourism as well.

Sincerely,

David Blanchette
Chair of the board of directors

BUSINESS MEMBERSHIP APPLICATION

BENEFITS OF YOUR MEMBERSHIP

- Advanced viewing of new exhibits
- First opportunity at admission for special events
- Periodic museum newsletter
- Knowledge your membership supports the ongoing operations of the museum

BUSINESS MEMBERSHIP LEVELS

- ☐ \$150 Sustaining Business Membership
